

PROGRESS REPORT 13

Name: Naman More

Subsystem: Coding

Date of Submission: 16/05/2021

Reporting Progress from: 10/05/2021 => 16/05/2021

Progress

PROGRAMMING & ML

1) Solved my problems of Nan values during the Machine Learning period

MEETINGS & RESEARCH

1) Finished Week 3 of the Modern Robotics Course. Almost Completed Week 4.

2) Helped a bit in the Robocon training task, my Bluetooth controlled car Arduino Code came handy.

3) Finished learning about Control Theory. Plotted various Stability plots in MATLAB

4) Started a course on Raspberry Pi.
