

# **PROGRESS REPORT 10**

Name: Naman More

Subsystem: Coding

Date of Submission: 14/02/2021

Reporting Progress from: 08/02/2021 => 14/02/2021

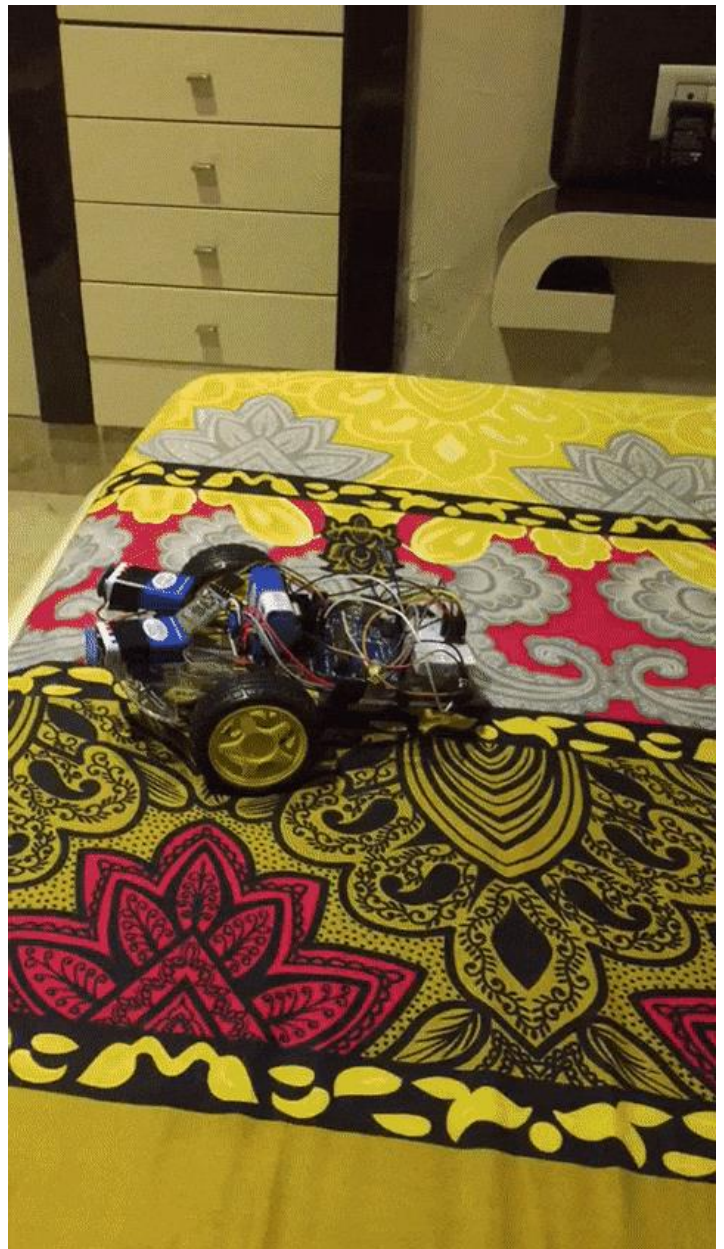

## **Progress**

### **PROGRAMMING**

- 1) Read up on Matplotlib and Numpy.
- 2) Read up on the basic syntaxes of Python

### **MEETINGS & RESEARCH**

- 1) Revised all the concepts discussed till now during the TaskPhase.
- 2) Researched more on Motor Drivers.
- 3) Made my Bluetooth Controlled Car's code more efficient and readable.
- 4) Next aim is to build a Line following BOT using Line Sensor Arrays.

A snapshot of my Bluetooth Controlled Car.
