Progress

C++

- 1)Applied the concepts learnt in JAVA and solved programs which were in ISC projects using C++ now.
- 2)Read about the standard libraries involved in C++ and syntaxes involving various utilities.
- 3)A good understanding of conditional statements, FOR-LOOP, WHILE-LOOP & DO-WHILE-LOOP.
- 4)Worked on Arrays & Functions. Slight Knowledge about Constructors.

Issues Faced

Cannot get a complete hold of the working of Constructors and Inheritance.
